MAHANAND DAIRY-VARVAND PLANT

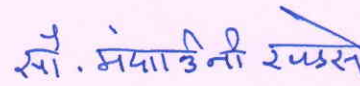

Quality and Food Safety Policy

We at the Mahanand Dairy, Varvand Plant are determined and committed to produce and serve the excellent quality and safe SMP/WMP, Condensed Milk and Butter to our customers.

To meet our commitment, we ensure

- Procure excellent quality of Raw Milk, Ingredients and packing Materials and Process in hygienic conditions.
- Training on Quality and Food Safety of all levels of employees.
- To pay the best prices & excellent input services to our milk producer's organizations.
- Compliances of statutory, regulatory and customer requirements applicable to our Milk and Milk Products.
- Communicate quality and food safety policy to all our stake holders and employees and will take review of the Quality and Food Safety policy to identify and implement continual improvements for better customer satisfaction.
